WORK EXPERIENCE

Arbor Memorial Inc. – Co-op Junior Technologist 2016 ~ 2017

- Produced conceptual site & road plans on AutoCAD for future expansion of the cemetery gardens
- Managed a small project; organized a spreadsheet for ordering new garden signs and for management review
- Used basic SketchUp to produce 3D model/render of the cemetery gardens
- Communicated with the cemetery branch managers to distribute the new garden signs & update cemetery garden maps

Brassaii, Café and Lounge - Cook 2013 ~ 2014

- Maintained the working line with cleanliness and worked efficiently and quickly
- Took part in managing the ingredient orders for the service

Auberge du Pommier, Oliver & Bonacini - Cook 2012 ~ 2013

- Responsible for setting up & preparing 3 course menu
- Learned how to work co-operatively, efficiently and paying attention to detail
- Cleaned and organized the ingredient storage area

PERSONAL AFFILIATION

Build for Better – Research Team – Student Architecture Club 2015 ~ 2016

- A group of engineer, architectural student and professors working together to provide inexpensive, earthquake-resistant and sustainable housing to impoverished countries
- Researched the cost of materials and general information of topography of the site
- Communicated with the team lead and design team to meet client's need

Monthly Cornerstone Outreach 2014 ~ 2016

- Once every month, helped serving and organizing a meal for homeless at Regent Park community centre
