PROGRAMS

EDUCATION

Ontario College Advanced Diploma (In Progress)

Sheridan College – Architectural Technology
September 2018 – April 2021 (Expected Graduation)

- Excelled in BIM and CAD coursework
- Maintained an average of a 3.86 GPA throughout my studies
- Successfully collaborated on multiple group assignments and design charettes

Ontario Secondary School Diploma

Bramalea Secondary School
September 2014 – June 2018

ABOUT ME

Passionate architecture student, excellent with BIM and CAD software. Maintained an average of a 3.86 GPA through the course of my studies. Created a 3D model for an artist live-work mid-rise building. Keenly interested in sustainable and Passive Haus design.

EXPERIENCE

Part Time Library Page

Sheridan College / 4180 Duke of York Blvd., Mississauga / January 2020 – May 2020

Primarily assist at the front desk of the library, among many other duties.

- Independently and collaboratively solved issues in a timely and friendly manner when they arose at the library help desk
- Restocked bookshelves to ensure maximum efficiency of library
- Kept library bookshelves neat and organized to ensure that books can be easily found

Freelance Drafter (Online Position)

August 2019 – September 2019

Independently made corrections to CAD drawings in AutoCAD while working from home.

- Analyzed CAD drawings to see where markups were located on said drawings
- Successfully used AutoCAD to correct drawings while meeting deadline

Part Time Sales Associate

Canadian Tire / 2850 Queen St E, Brampton / July 2017 – September 2017

Assisted customers on the sales floor while restocking merchandise.

- Regularly worked independently and with coworkers to restock items on sales floor
- Promptly responded to customer needs as they arose in a friendly manner
- Effectively communicated with customers to resolve issues that arose on the sales floor
